

# Certificate of Analysis

|   |                             |  |                                 |
|---|-----------------------------|--|---------------------------------|
| Product Name  | YF®633-Phalloidin (far red) |  |                                 |
| Cat.No.   | YP0053L                     | Storage Conditions   | Store at -20 °C away from light |
| Lot.No.   | 230705W01-01                | Expiration Date  | 04-07-2026                      |
| Molecular Formula   | N/A                         | Molecular Weight   | N/A                             |
| CAS Number  | N/A                         | Excitation Emission  | 630/650nm                       |
| Quality Control   |                             |  |                                 |
| Items   | Specification               | Result   |                                 |
| Packaging appearance  | Intact and undamaged        | Intact and undamaged   |                                 |
| Appearance  | Dark blue solid             | Dark blue solid  |                                 |
| Weight/volume   | 300-330T                    | 320T   |                                 |
| Appendix  |                             |  |                                 |
| Standard  |                             | Test   |                                 |
|                  |                             |  |                                 |
| This Product has been tested and the components have been found to conform to UE quality standards. |                             |  |                                 |
| Conclusion  | Up to standard              | Report Date  | 18-07-2023                      |
| QC  | Jiaxing Wu                  | QA   | Qin Hua-Yu                      |
