

# Certificate of Analysis

|   |                               |  |                         |
|---|-------------------------------|--|-------------------------|
| Product Name  | YF®555-Phalloidin（orange-red） |  |                         |
| Cat.No.   | YP0060S                       | Storage Conditions   | -20℃&protect from light |
| Lot.No.   | 210527T1-52                   | Expiration Date  | 26-05-2024              |
| Molecular Formula   | N/A                           | Molecular Weight   | N/A                     |
| CAS Number  | N/A                           | Excitation Emission  | 555/565nm               |
| Quality Control   |                               |  |                         |
| Items   | Specification                 | Result   |                         |
| Packaging appearance  | Intact and undamaged          | Intact and undamaged   |                         |
| Appearance  | Red solid                     | Red solid  |                         |
| Weight/volume   | 50-55T                        | 50T  |                         |
| Appendix  |                               |  |                         |
| Standard  |                               | Test   |                         |
|                  |                               |  |                         |
| This Product has been tested and the components have been found to conform to UE quality standards. |                               |  |                         |
| Conclusion  | Up to standard                | Report Date  | 31-01-2023              |
| QC  | tian qin zheng                | QA   | Qin Hua-Yu              |
