

# Certificate of Analysis

|   |                                  |                     |                                |
|---|----------------------------------|---------------------|--------------------------------|
| Product Name  | Rhodamine-Phalloidin（orange-red） |                     |                                |
| Cat.No.   | YP0063S                          | Storage Conditions  | -20℃ dry, keep away from light |
| Lot.No.   | 220809W01-02                     | Expiration Date     | 08-08-2028                     |
| Molecular Formula   | N/A                              | Molecular Weight    | N/A                            |
| CAS Number  | N/A                              | Excitation Emission | 546/575nm                      |
| Quality Control   |                                  |                     |                                |
| Items   | Specification                    | Result              |                                |
| Packaging appearance  | Intact and undamaged             | Pass                |                                |
| Appearance  | Red powder                       | Pass                |                                |
| Weight/volume   | 55-55T                           | Pass                |                                |
| Appendix  |                                  |                     |                                |
|                  |                                  |                     |                                |
| This Product has been tested and the components have been found to conform to UE quality standards. |                                  |                     |                                |
| Conclusion  | Up to standard                   | Report Date         | 23-08-2022                     |
| QC  | Long Zhang                       | QA                  | Qin Hua-Yu                     |
