

SAFETY DATA SHEET

Date Revised: Nov 30, 2021

SECTION 1: Product and Company Identification

Product Name: YF[®]488 Tyramide, 200×

Catalog Number: YT0070S, YT0070L

Manufacturer/Supplier:

UElandy (Suzhou) Co., Ltd.

Room 302-1, Building 1, No.18 Chunyao Road, Caohu Industrial Park, Xiangcheng District, Suzhou, P.R. China

Phone: 86-512-69571710, mailbox:service@uelandy.com

Web: <http://www.uelandy.com>

SECTION 2: Hazards identification

Classification Not a hazardous substance or mixture

GHS label elements, including precautionary statements

Not a hazardous substance or mixture

Hazardous not otherwise classified (HNOC) or not covered by GHS

None

Potential health effects

Avoid contact and inhalation. To our knowledge, the hazards of this material have not been thoroughly investigated. We recommend handling all chemicals with caution.

Inhalation	No data available (may be harmful by inhalation)
Ingestion	No data available (may be harmful if swallowed)
Skin	No data available (may cause skin irritation in susceptible persons)
Eyes	No data available (may cause eye irritation in susceptible persons)
Chronic exposures	No data available (potentially harmful)
Target organs	No data available (potentially harmful)
Carcinogenic effects	No data available (potentially harmful)
Mutagenic effect	No data available (potentially harmful)
Reproductive toxicity	No data available (potentially harmful)
Sensitization	No data available (potentially harmful)

SECTION 3: Composition/information on ingredients

Name	CAS	EINECS
YF®488 Tyramide, 200×	-	-

SECTION 4: First aid measures

In case of skin contact

Rinse with plenty of water. Call a physician to seek medical advice if symptoms arise.

In case of eye contact

Wash thoroughly after handling. If eye or skin contact occurs, immediately wash affected area with soap and copious amounts of water for at least 15 minutes. Assure adequate flushing by separating the eyelids with fingers. Call a physician to seek medical advice.

If ingested

Never give anything by mouth to an unconscious person. Call a physician to seek medical advice if symptoms arise.

If inhaled

If swallowed, wash out mouth with water provided person is conscious and call a physician to seek medical advice. If inhaled, move individual to fresh air and call a physician to seek medical advice.

Notes to physician

Treat symptomatically.

SECTION 5: Firefighting measures

Extinguishing media

Water spray, carbon dioxide, dry chemical powder or appropriate foam.

Special firefighting procedures

Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.

Unusual fire and explosions hazards

Emits toxic fumes under fire conditions.

SECTION 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

Use appropriate protective equipment and methods to clean up spilled substances promptly.

Environmental precautions

Prevent further leakage or spillage if safe to do so.

Methods for cleaning up

Absorb spill onto an appropriate material. Collect and dispose of all waste in accordance with applicable laws.

SECTION 7: Handling and storage

Personal precautions, protective equipment and emergency procedures

Potentially harmful. Avoid prolonged or repeated exposure. Avoid dust formation. Avoid breathing vapors, mist or gas.

Conditions for safe storage, including any incompatibilities

Keep container tightly closed in a dry, cool and well-ventilated place. Protect material from long-term exposure to light.

SECTION 8: Exposure controls/personal protection

Control parameters

Contains no substances with occupational exposure limit values.

Control parameters

Engineering measures

General industrial hygiene practice.

Personal protective equipment

Wear appropriate gloves, protective clothing and eyewear and follow safe laboratory practices.

Environmental exposure control

Prevent products from entering drains.

SECTION 9: Physical and chemical properties

Chemical Name	YF®488 Tyramide, 200×
Appearance	Liquid
Solubility in water	High
Odor	No information available
Odor threshold	No information available
Specific gravity	No information available
pH	No information available
Melting point	No information available
Boiling point	No information available
Flash point	No information available
Vapor pressure	No information available
Vapor density	No information available
Relative density	No information available
Upper/lower flammability or explosive limits	No information available
Partition coefficient:n-octanol/water	No information available
Auto-ignition temperature	No information available
Decomposition temperature	No information available
Viscosity	No information available

Explosive properties	No information available
Oxidizing properties	No information available

SECTION 10: Stability and reactivity

Reactivity	No data available
Chemical stability	Stable under recommended storage conditions
Possibility of hazardous reactions	No data available
Conditions to avoid	No data available
Incompatible materials	No data available
Hazardous decomposition products	No data available

SECTION 11: Toxicological information

Acute toxicity	No data available
Skin/corrosion/irritation	No data available (may cause skin irritation in susceptible persons)
Serious eye damage/irritation	No data available (may cause eye irritation in susceptible persons)
Respiratory or skin sensitization	No data available (may be harmful by inhalation)
Germ cell mutagenicity	No data available (potentially harmful)
Carcinogenicity	Not listed by NTP, IARC, or OSHA
Reproductive toxicity	No data available
Specific target organ toxicity	No data available
Aspiration hazard	No data available
RTECS	No data available

SECTION 12: Ecological information

Ecotoxicity	No data available
Persistence and degradability	No data available
Bioaccumulative potential	No data available
Mobility in soil	No data available
Results of PBT and vPvB assessment	No data available

SECTION 13: Disposal considerations

Do not allow product to reach ground water, water course, or sewage system. Consult local, state or national regulations for proper disposal.

SECTION 14: Transport information

DOT (US):	Not dangerous goods
------------------	---------------------

IMDG: Not dangerous goods

IATA: Not dangerous goods

SECTION 15: Regulatory information

US Toxic Substances Control Act (TSCA)	Not listed
-----------------------------------------------	------------

SARA 302 components	Not listed
----------------------------	------------

SARA 313 components	Not listed
----------------------------	------------

SARA 311/312 components	Not listed
--------------------------------	------------

EEC risk statements	Not listed
----------------------------	------------

Massachusetts-RTK	Not listed
-------------------	------------

New Jersey-RTK	Not listed
-----------------------	------------

Pennsylvania-RTK	Not listed
-------------------------	------------

California Proposition 65	Not listed
----------------------------------	------------

SECTION 16: Other information

Reason for revision	SDS sections updated
---------------------	----------------------

Version no. 1

For research use only. Not for use in diagnostic procedures.

The information provided above is believed to be correct to our best knowledge, but does not purport to be all inclusive, and shall be used only as a guide. This material is sold for research purposes only and is not required to appear on the TSCA inventory. It is not intended for food, drug, household, agricultural or cosmetic use. Its use must be supervised by a technically qualified individual experienced in handling potentially hazardous chemicals. Uelandy (Suzhou) shall not be held liable for any damage resulting from handling or contact with the above product.
